## MERCURY AUTHORIZED SERVICE CENTER:

Our Service Center staff consists of certified technicians who have all the tools & equipment necessary to service, or repair your boat.

## GAS DOCK:

Our gas dock is easily accessible. We sell regular and premium gasoline at very competitive pricing. At the gas dock, there is also a concession store with pop, candy, ice cream, water, ice, and other items, including boating supplies available.

## COMMERCIAL BOAT RAMP:

We have one of the best boat ramps on this side of the lake.

## LEASED SLIPS:

Our docks are constructed of heavy duty steel, with concrete walkways. Each slip has water, electric, and cable TV. We have contracted with a commercial pest control company to spray the docks at regular intervals in order to limit spiders on the docks.

A one year slip lease is required. Lessee, must provide proof of boat insurance, and furnish the marina with a copy of the insurance policy.

## GROUNDS & PICNIC AREA:

The property is landscaped and manicured on a regular basis. Picnic benches are located directly in front of the boat docks in the landscaped area.
